
COMMONWEALTH OF VIRGINIA

OFFICE OF THE GOVERNOR

Executive Order No. 11 (2010)

The Virginia Prisoner and Juvenile Offender Re-Entry Council

Importance of the Issue

Section 2.2-221.1 of the *Code of Virginia* directs the Secretary of Public Safety to establish an integrated system for coordinating the planning and provision of offender transitional and reentry services among state, local, and non-profit agencies in order to prepare offenders for successful transition into their communities upon release from incarceration. This code section also requires the Secretary to ensure that a system is in place for improving opportunities for treatment, employment and housing while individuals are on subsequent probation, parole or post-release supervision.

Each year, approximately 13,500 adult and 500 juvenile offenders are projected to be released from incarceration. The Commonwealth of Virginia seeks to improve public safety by fostering a successful transition of these offenders into their communities; and by reducing the rates at which they returned to prison. In order to reduce recidivism, improve public safety, and reduce the number of crime victims, consistent with Virginia Code § 53.1-32.2, we must ensure that offenders released from incarceration have been adequately prepared to return to their communities. This preparation includes equipping offenders to find employment; providing educational opportunities; ensuring treatment for mental health and substance abuse issues; and assisting offenders re-integrate into a stable home environment. Successful integration of offenders requires collaboration, coordination, and partnership among state and local agencies, community supervision agencies, service providers, faith-based organizations, law enforcement agencies, courts, communities, and family members. Accordingly, I am taking the following measures:
